

Terms of Use

Effective Date: October 27, 2025

These **Terms of Use** ("Terms") govern your access to and use of the website, online training programs, and digital content (collectively, the "Services") provided by **Mastering Homeopathy**.

By accessing or using the Services, you acknowledge that you have read, understood, and agreed to these Terms. If you do not agree, you must not use the Services.

1. Description of Services

Mastering Homeopathy provides online courses, seminars, and digital materials in the field of homeopathy.

All content is for educational and informational purposes only and is not intended to replace medical diagnosis, treatment, or professional healthcare advice.

2. User Obligations

By using the Services, you agree to:

- A) Provide accurate, current, and complete information during registration
- B) Keep your account credentials confidential and notify the School immediately of any unauthorized access
- C) Use the Services solely for personal and educational purposes
- D) Refrain from copying, reproducing, distributing, or selling any content without permission
- E) Not use the Services for unlawful activities, malware distribution, spam, or any action that infringes on others' rights

The School reserves the right to suspend or terminate your account if any of these obligations are violated.

3. License and Access Rights

Access to the Services is granted under a limited, non-transferable, non-sublicensable, and non-exclusive license for personal educational use only. This license does not transfer any intellectual property rights.

You may not:

- (i) Use the content for commercial purposes;
- (ii) Offer or share the content, paid or free, with third parties;
- (iii) Copy, reproduce, publish, rent, or sell the content;
- (iv) Use the materials for teaching, mentoring, or providing treatment services without written permission.

Each account is personal and non-transferable. You may not share, sell, or lend your login credentials to any third party. Unauthorized access attempts must be promptly reported to the Mastering Homeopathy.

Access remains active for the duration stated on the website for the purchased program. After this period, access automatically expires.

If the User violates these Terms:

- (i) The School may immediately suspend or terminate access;
- (ii) The School may seek compensation for damages;
- (iii) Legal or criminal action may be taken where necessary.

The School reserves the right to make updates or improvements to license terms to ensure the sustainability or functionality of the Services. Any changes take effect upon publication on the website.

4. Payment and Sales Terms

All fees for the Services are charged in the currency and amount displayed on the website.

Payments are processed securely through **authorized third-party payment providers**, and Users must provide accurate billing details.

Prices are confirmed before access is granted and become binding upon order confirmation. Price changes do not apply retroactively.

Refund, cancellation, and withdrawal terms are governed by the **Refund and Cancellation Policy**, which the User acknowledges and accepts upon purchase.

After access to digital content is granted, refund eligibility depends on the User's status (consumer or professional) as defined by applicable law.

If payment fails, is declined, or is not completed, the School may suspend or cancel access. The School is not responsible for any access loss due to delayed or failed payments.

The School reserves the right to claim compensation for any financial loss arising from violations of payment terms.

5. Intellectual Property Rights

All educational materials, videos, graphics, texts, software, and other digital content available through the website and Services are protected under the **U.S. Copyright Act (Title 17 U.S.C.)**, international intellectual property treaties, and applicable laws.

All copyrights, trademarks, trade secrets, and other IP rights belong to **Mastering Homeopathy** or its licensed content providers.

Users are granted only a **personal, limited access right**.

Any copying, recording, downloading, transferring, publishing, or sharing of the content—whether for educational, therapeutic, or commercial use—is strictly prohibited without prior written authorization.

Violation of these provisions may result in **civil and criminal penalties** under U.S. law (including statutory damages). Users are responsible for all damages, costs, and legal fees resulting from infringement.

Circumventing or disabling any **digital rights management (DRM), watermarking, or monitoring technologies** constitutes a violation of **17 U.S.C. §1201 (DMCA – Anti-Circumvention)** and is strictly prohibited.

6. Disclaimer of Liability

The Services and all content are provided **“as is”** and **“as available”** without any warranties of any kind, express or implied.

Mastering Homeopathy makes no guarantees regarding uninterrupted access, error-free operation, suitability for a specific purpose, or completeness and accuracy of content.

All information provided is **for educational purposes only** and does not constitute medical diagnosis, treatment, or prescription advice. Users must consult a licensed healthcare professional for any health-related decisions.

Users are solely responsible for any actions or outcomes resulting from applying the information. The School bears no responsibility for how Users apply the content in practice.

Mastering Homeopathy shall not be liable for **direct, indirect, incidental, consequential, or punitive damages**, including data loss, profit loss, or reputational harm, arising from the use or inability to use the Services.

The School is not responsible for losses resulting from **internet outages, server downtime, third-party failures**, or other unforeseen technical issues.

In accordance with **FTC health claim guidelines**, no course or example provided guarantees specific health outcomes. Users agree not to interpret the content as verified medical or scientific claims.

This disclaimer does not override any **mandatory consumer protection rights** that apply to individual consumers. However, for professional or institutional users, the limitation of liability applies in full.

7. Modification, Suspension, or Termination of Services

Mastering Homeopathy reserves the right to modify, update, limit, suspend, or terminate any aspect of the Services—temporarily or permanently—without prior notice.

Access may be temporarily suspended for **maintenance, security updates, or technical reasons**. No refunds or compensation will be provided for such interruptions.

User access may be immediately terminated if:

- (i) The Terms or laws are violated;
- (ii) Intellectual property is infringed or attempted to be;
- (iii) Login credentials are shared;
- (iv) Payments are not completed;
- (v) Services are misused or security is compromised;
- (vi) The rights, privacy, or safety of others are violated.

In these cases, Users are not entitled to refunds or compensation.

The School may block or cancel accounts suspected of fraud or abuse and may notify relevant authorities if necessary.

Users may voluntarily delete their accounts, but **no refunds** will be issued, and access will be permanently revoked.

In the event of full service discontinuation, the School will make reasonable efforts to notify Users but bears no liability for circumstances beyond its control.

Upon termination, the User's license and access rights automatically expire, and all use of digital content must cease immediately.

8. Governing Law and Dispute Resolution

These Terms shall be governed by and construed in accordance with the **laws of the State of Rhode Island**, without regard to conflict-of-law principles.

Any disputes shall be resolved exclusively in the **state or federal courts located in Rhode Island, USA**, and proceedings shall be conducted in **English**.

For professional or institutional users, this jurisdiction clause is **exclusive**, and such users waive the right to bring action in any other jurisdiction.

For individual consumers, mandatory local consumer protection laws remain applicable where required.

9. Force Majeure

Mastering Homeopathy shall not be held liable for any failure or delay in performance caused by events beyond its control, including but not limited to natural disasters, war, terrorism, government actions, or infrastructure failures.
